ORGANIZER CO., LTD.

As of 19 July 2022

In 2016,

At #KyotoHempForum on July 2, 2016, delegates from around the globe, gather at KICC (Kyoto International Conference Center) where the Kyoto Protocol was originally signed in 1997 acknowledging our international and planetary responsibilities to the environment; and where the 2003 World Water Forum was held; for The First Annual “International Hemp Environmental Forum” to:

1. Raise awareness of the value of Hemp in comparison to other biomass resources worldwide; while advocating for its legal use and research;
2. Discuss implementation strategies involving Hemp as a sustainable solution;
3. Share Information and Knowledge about Hemp with cooperation and compassion;

The Hemp Future Is Now.
